<b>Key indicator 1: develop and increase confidence across the federation in the delivery of Physical Education and sports activities.</b>				
<b>Intent</b>	<b>Implementation</b>		<b>Impact</b>	<b>Monitoring, Evaluation and Sustainability</b>
<b>Provide all staff with continuous professional development across the federation to increase confidence in the curriculum and their ability to deliver high quality lessons for the children which are linked to and build upon our knowledge and skills.</b>	To work with each year group throughout the terms to identify areas for development. This is done through weekly PE lessons monitoring staff through the curriculum and supporting them taking the lead on new areas enhancing and developing their skills.	£19,656	Staff will feel confident in the delivery of PE lessons and identify the key knowledge and skills learnt within previous year groups and how to build upon those with new skills.	Weekly, Monthly and termly reviews to be carried out by the Sports Leader to ensure good practice.
<b>All children to be the opportunity to engage in regular physical activity in a variety of sporting activities raising the profile of PE and a love of sport across the school to support whole school participation and improvement through physical movement.</b>	Alongside each year group providing the children with a minimum of 2 hours PE per week. One of which being an indoor lesson and one being an outdoor lesson, children now have the opportunity during both break and lunch times to participate in a variety of sporting activities across the federation in our new initiative of sports active. At break and lunch times, these activities are led by both members of staff as well as our play leaders	£6,062.35	Children's physical and emotional wellbeing is improved through their social and physical interactions.  The Barksbury values are maintained and upheld and encourages collaboration and inclusion throughout all age groups.	Sports Leader to work closely with all year group leaders to ensure children are getting 2 hours of PE.  Sports Leader to work closely with Play ground leader to make sure break and lunchtimes run smoothly and that children are engaged.

	<p>to encourage full participation.</p> <p>The planning and management of the sports active initiative is carried out daily to ensure all staff who are involved at break and lunch times understand the importance of their role to encourage all children to participate and build a love of sport.</p>		<p>Children's physical and spatial awareness and safety has increased reducing first aid instances.</p>	
<p><b>The federation aims to provide children with a variety of opportunities within their physical education lessons as well as extra curricula activities to develop their physical wellbeing as well as cultural capital. These opportunities will support the skills needed in life as well as within further education that will have a positive impact on their self-esteem as well as giving them the chance to fulfil a healthy and active lifestyle whilst finally increasing confidence within their own skill sets.</b></p>	<p>The installation of basketball hoops, rugby posts, target goals, tennis nets, archery and a lacrosse set has encouraged the participation of all children across the federation and offered a broader and more equal experience within a range of sports.</p> <p>The installation of this equipment has provided extra-curricular opportunities through our after school clubs to give the children exposure to</p>	£5,000	<p>Children have used a broader range of specialist sporting equipment within their PE lessons and during their sport active break and lunch times.
