

BALKSBURY FEDERATION PTA – TREASURERS REPORT TO YEAR END AUGUST 2024

We have had a wonderful year raising funds for Balksbury Federation. The PTA have made a profit of £3,576.23 this year and our closing bank balance was £8,482.84 plus a £75.00 float.

A big thank you to all the members of the Balksbury Federation PTA because we could not have done it without your help and support over the past year. I would also like to offer a very warm welcome our newest member, Laura.

I would also like to say a very big thank you to all the teachers and staff at Balksbury Federation for the massive support that has been given to the PTA over the past year.

I would also like to say a big thank you to the Federation for allowing the PTA to set up and sell school uniform from the Hive, this has been very successful with parents popping in most Fridays to have a look. The uniform swap shop has also been a great success, parents seem to really appreciate this initiative.

This financial year we have supported the Balksbury Federation by donating 2 no. 3D printers, more rugs for outside, we have also provided the funds to repair the Amphitheatre, gifted all year 2 and 6 children sweet cones and provided leaving gifts for the year 6 children.

Detailed below is a breakdown of how funds have been raised at each event/fundraising initiative this financial year.
