

Art at the Station

Are you a budding artist?

Would you like your artwork to be displayed at Andover Station?

This might be the task for you!

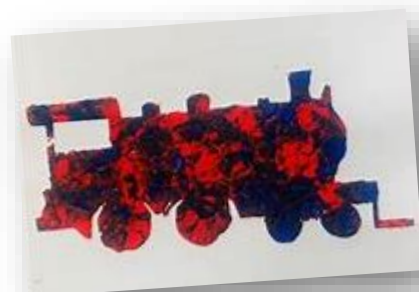

To celebrate 200 years of South Western Railway, Andover Station are working with the Arts Society to display children's artwork at the station and Bawksbury have been chosen!

We need eight A4 pieces of art to display, so have decided to run a competition to find them.

What do I need to do?

We are looking for **high quality** A4 landscape or portrait pieces of art which represent 200 years of South Western Railway.

Get creative! Your art piece could be a painting, drawing or a pastel piece. The only requirements are that the art piece is flat, and on A4 paper.

How do I enter?

- Ask your class teacher for an entry slip
- Create your art piece at home
- Bring your art into school by **Wednesday 7th May**

All children taking part will be given a certificate for their efforts. Eight pieces of artwork will be chosen by Mrs Shield and Miss Cruz (our Art Leaders) for display at the train station.

Good Luck!
