Tuesday 16<sup>th</sup> December 2025

Dear Families,

We are pleased to inform you that the much-awaited toilet refurbishment for Admiral Class (Year R) and Heron Class (Year 1) will soon be taking place, after a wait of 4 years. Hampshire County Council has confirmed that work will commence on Monday, 5th January 2026, during term time.

To minimise disruption, the refurbishment will be carried out in two phases:

**Phase 1:** Year R block (Admiral Class)

**Phase 2:** Year 1 block (Heron Class)

Please note that we will recontact families again when contractors are ready to begin phase 2.

### **Changes to Access During the Works**

For this work to take place safely, there will be temporary changes to existing entrances to classes during this time - please refer to the map below for these changes.

For Emperor and Skipper Class, please use the front gate for entrance and exit. For Admirals, please use the door by the hall, around the back of Year R.

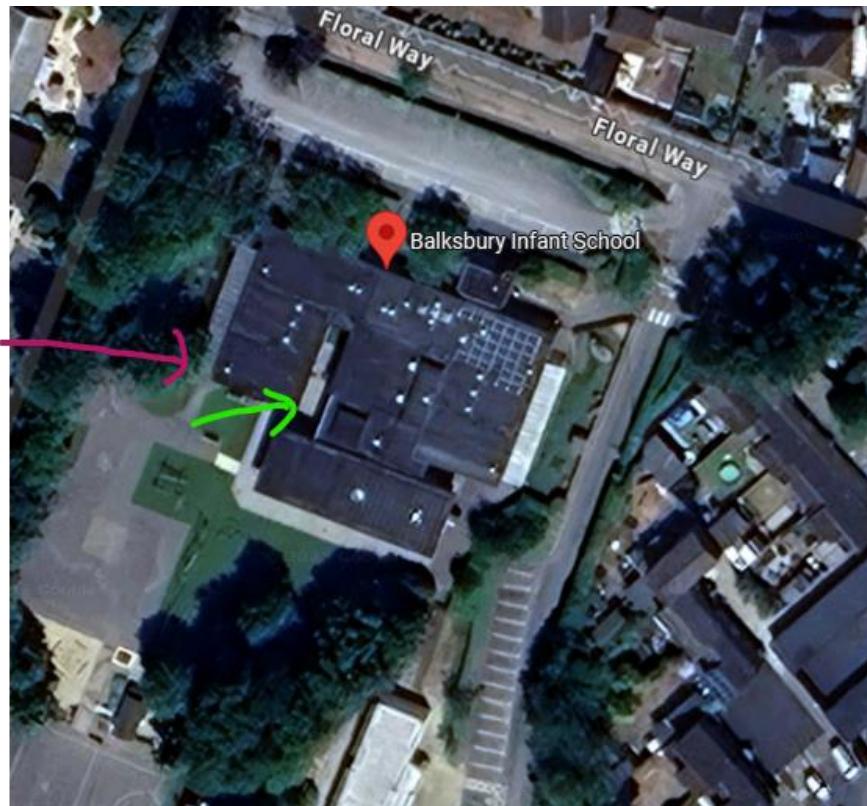

### **All Federation Families**

All federation families, please note that Year R will not be available for a through access as the gate by the playground will be shut off until work is complete, so during this time please use an alternative entrance and exit.

### **Changes for Pick Up Club**

Families using Pick Up Club, collection will take place via the main reception door after Christmas until the office indicates a return to normal.

The pink arrow indicates the gate that will be closed during the Year R toilet refurbishment.

Green arrow indicates the entrance and exit for Admiral Class during the Year R toilet refurbishment.

A map will be sent to families Phase 2 Year 1 works are about to commence.

We appreciate your understanding and cooperation as we make these improvements for our children. If you have any questions, please do not hesitate to contact the infant school office.

Thank you for your continued support.

Kind regards,

Mrs Woodhams  
Federated Business Manager
