Who can come?

To ensure the area outside the pool does not become overcrowded, we are asking that no more than **two** adults attend for each child. This will also make sure that everyone gets a good view of their child.

What will happen on the day?

You will need to sign in outside the **Junior School Reception 5 minutes before** the start time of your child's session.

You will then be guided round to the area outside of the pool, where you will be able to watch your child take part in a session designed to showcase their swimming skills.

All children will receive a special certificate to congratulate them on their effort during their swimming lessons.

Questions

If you have any questions regarding the Swimming Celebration, please speak to your child's class teacher who will be happy to help.

Thank you

Without your generous donations towards the upkeep of the swimming pool, events like this would not be able to take place. Thank you once again.
