Dear Parents and Carers

I am delighted to be able to share with you that the report from our recent Infant Ofsted inspection has now been completed and is attached for you to read in full.

The report proves a wonderful validation of the incredible work taking place across the federation, in particular within our infant school. It is a testament to the care, dedication and expertise of all our staff, and to the relentless commitment they show to ensuring that every child receives the very best possible start to their education.

The recognition within the report belongs first and foremost to our infant school team, whose hard work, determination and passion shine through in everything that they do. It also reflects the strength of the federation as a whole. Across every role and every part of the school, our staff share a deep commitment to the highest standards of care, learning and outcomes for every child.

What makes this especially meaningful is that the report reflects what is seen and felt every day; a team that know your children exceptionally well, who care deeply about them as individuals, and who continually strive to provide an ambitious, nurturing and inspiring education.

I would like to take this opportunity to thank every member of our Balksbury Federation staff team for their extraordinary commitment. Their passion, professionalism and determination are truly something to celebrate, and this report recognises the impact of that work.

I am immensely proud to have just joined this incredible school community and am privileged to be part of its continued growth, Balksbury Federation is such a special place for children to learn, grow and flourish.

With very best wishes

Caroline Whitlock
Executive Headteacher
