

Spring into Action Toolkit

Saturday 12th February

As it's the weekend you may have a little more time to go on a longer journey or find somewhere new to explore.

Treasure Chest

Take your finest treasure chest out for a walk, perhaps a tiny one like a raisin box, and collect the most precious treasures you can find that fit inside.

Can you describe them to someone in your household later to see if they can guess what you found?

Finally, why not draw them or stick them down to make a spring picture?
