

Google Classroom Help

Once you have successfully logged on onto your child's Google Classroom account (this is the same login and password as you have used previously), you may notice that your child can see more than one Classroom.

Please only use the Classroom with your child's current Year group 2021/22.

Once you click on this classroom, you will find your child's teachers individual parents' evening link on 'The Stream' (main home page).

Please note you may have to scroll down to find your child's teacher's link.

You will be admitted entry at the time of your appointment and not before, due to the previous meeting taking place.

Videos and guides can be found on the federation's website, **under the Community Tab.**
