

Coming back to school

in September

In September it will be time for me to go back to school.

There will be lots of new things when I go back:

- **I will be in a new class and year group**
- **I will have a new teacher**
- **There will be other new teachers and LSAs in my year group**
- **I will have a new classroom**
- **I will be in a different school**

This book is all about my new class, year group, classroom and teacher.

Reading this book will help me to learn all about the changes.

It will help me to get ready for being in Year 3.

I might have some feelings about moving into Year 3.

I might be feeling happy / excited / sad / worried / scared.

This is **okay**.

I will not be the only person feeling this way. My friends probably are too.

My new teacher may also be feeling like this.

I might have lots of different feelings about coming back to school.

All these feelings are okay.

It's okay if my feelings are mixed up and I feel different things on different days.

It's important I talk to a grownup at home or at school about how I am feeling.

I can ask questions and people will try and answer them for me.

All the grownups at school will help me to be in Year 3 and in my new class.

I will quickly settle into being in Year 3.

I will make lots of new friends.

I will learn lots of new things.

It will be fun!
