

Coming to school

in September

I am starting a new school.

It is called Balksbury Infant School.

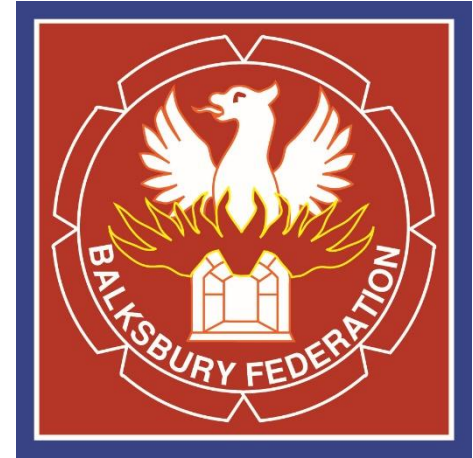

There is a Junior school too.

Both schools work together, so we are called:

The Balksbury Federation.

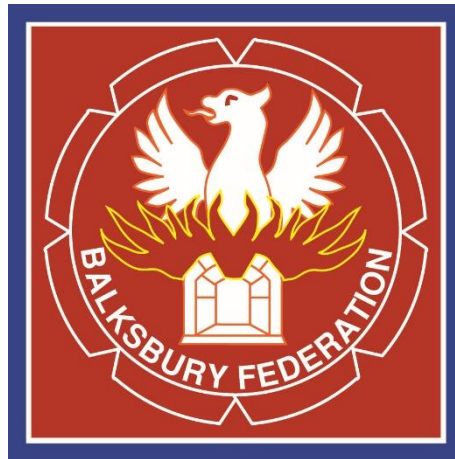

Sometimes we visit the Junior school for activities.

Some of the grownups work in both schools.

This book is all about my new school and teachers.

It will help me to get ready for being in Balksbury.

The classes in Year R are named after butterflies.

Code of Conduct

Code of Conduct

Mutual Respect - We will respect our peers, adults and property (both ours and others)

Honesty - We will be truthful at all times and realise that not telling the truth causes situations to become worse

Safety - We will ensure our own and others safety at all times

Achievement - We will work hard at all times to achieve our best

Learning and Growing Together

Everybody follows our Code of Conduct – even the teachers!

I must make sure I follow the Code of Conduct.

This will help me to be safe.

I might have lots of different feelings about starting in a new school.

All these feelings are okay.

It's okay if my feelings are mixed up and I feel different things on different days.

It's important I talk to a grownup at home or at school about how I am feeling.

I can ask questions and people will try and answer them for me.

All the grownups at school will help me to be in Year R and in my new school.

I will quickly settle into being in Year R.

I will make lots of new friends.

I will learn lots of new things.

It will be fun!
